Winter Blanket Drive

Attention: Alan and Melissa Riback

P.O BOX 92370

Norwood

2117

15th March, 2013.

Dear Alan and Melissa,

Re: Support through donations from the Winter Blanket Drive.

Thank you so much for the continued support that we have received from you through this initiative and for your hard work in making it all possible.

Our animals have benefitted since 2002 from all the wonderful donations that we have received every year since then. The food and blankets have always arrived when we have needed them the most and for this we thank all the special people who gave to support this drive. By helping us with the provision of these and other items that we receive, we use less of our resources which we have to stretch even further every year.

Your kind generosity in remembering the animals in our care is greatly appreciated.

Yours sincerely

Sr. Cindy-Lee Price

General Manager.
