

Community Led Animal Welfare

a Community Led Animal Welfare project of

24th March 2013

To Whom It May Concern:

This is to confirm that CLAW (Community Led Animal Welfare) is fully supportive, and endorses the fundraising by Melissa and Alan Riback for their Blanket Drive

In the present harsh economic climate, many animal shelters are hard-pressed to provide food for the animals in their care, and purchasing blankets is beyond the budget of many. Donations of blankets are vital to provide the animals with some comfort each winter.

Your generous support of this cause will ensure that many shelters all over the city will be provided with blankets for the homeless pets in their care.

On behalf of the animals,

Cora Bailey
