27 March 2013

Dear Winter Blanket Drive Team,

On behalf of SA.MAST please accept a very sincere thank-you for all your efforts in helping us to raise funds for our mass animal sterilisation and primary treatment programme in Khayelitsha, the largest informal settlement of the Western Cape.

To date, our facility has at no charge to the community, sterilised and treated over 6000 patients. Our consistent programme has so far resulted in the prevention of over one million unwanted puppy and kitten births in this severely under resourced and poverty stricken area.

Our continued efforts to end the animal over population epidemic and its attending and oft times devastating consequences for Khayelitsha's human community, would not be possible without highly appreciated fundraising efforts, such as the Winter Blanket Drive.

We wish you the best of luck and once again thank you for helping us to help our disadvantaged furry four legged friends and their pet guardians.

Warmest

Tamsin Nel
