WINTER BLANKET DRIVE 2013

This Letter of Endorsement confirms our support for the Winter Blanket Drive 2013.

The Winter Blanket Drive has been of immense help to Wet Nose Animal Rescue Shelter during the very cold winters we experience. For many years our animals have benefitted by the donation of blankets and food by Melissa and Alan Riback.

Wet Nose is a place of safety for about 400 abused, abandoned and neglected domestic animals who need rehabilitation and re-homing. Wet nose is a "Right to Life" shelter which means that no healthy animal is ever put to sleep, but rather cared for and loved until a "Forever home" is found.

As Wet Nose does not receive any municipal or government funding and relies solely on the generosity of the public, the blankets and food donated by the WINTER BLANKET DRIVE each winter is of immense help to our animals.
